Col. Sir Sree Krishnarajendra Wadiyar Bahadur,

G.C.S.I., G.C.B.E.,

Maharaja of Mysore

May it please Your Highness,

I. The undersigned Humble Memorialist, depending upon Your Highness' proverbially magnanimous heart, good-will and equity of justice, most respectfully beg to approach Your Highness with the following few lines and wait for Your Highness' sympathetic consideration and immediate action.

II. In addition to his previous representations, the humble memorialist most respectfully begs to state that he, not only did most useful and formidable services both to the Mysore State and to the British Empire, during the World-wide war, but also he did philanthrophic works and other valuable humane services to the public and the Government, and therefore he respectfully prays that this may also be kindly taken into consideration in deciding his suitability for a responsible place in the Government Service as prayed for, in his previous memorials. The undermentioned works will, he begs to state prove the reasonableness of Your Highness' humble memorialist's prayer. Since he met with [redacted] disappointment in the end (with regard to his former memorials) though at the onset he was ordered to be given a suitable appointment, he is compelled to bring the undermentioned humane services with a view to justify his modest prayer.

III. His humble services and reasons are as follows :—

(1) Through his formidable active service, the recruiting campaign to the World-wide war was made a success in the Mysore State. (*Vide* D.O's. Nos. 6 and 5).

(2) Through his best co-operation, both the War Loans in the State were made successful. (*Vide* D.O's Nos. 6 and 5.

(3) Through his inspiration, the inoculation in the year 1910 was made popular in the Bangalore City and *this saved many lives* as has been observed by Dr. A. K. Pani. (*Vide* D.O No. 1.)

(4) He spared no pains to join hands with the City Municipality, in battling against influenza epedimic in the Bangalore City, in the year 1918. (*Vide* D.O No. 4.)

(5) He was equally responsible and helpful to the authorities to do, the record—breaking inoculation in the City, in the year 1916. (*Vide* D.O No. 4.)

(6) At his instance during famine time, poor people to the extent of 50,000 were fed from 6th July 1918 and onward for several months, by Messrs. Appanna Ramachandra Rao of Tenali, B. Usman Khan and several others. (*Vide* D.O. No. 4 and Ref. No. 8.)

(7) By his co-operation, the Municipal Exhibition of 1915 was made a thorough success, as can be evidenced from the Gold Medal awarded to him by the Exhibition Committee. (*Vide* D.O. No. 2.)

(8) At his initiative, persons like Sir. M. Visvesvaraya, Mr. V. P. Madhava Rao, and many other gentlemen fed the homeless and helpless during Siddikatta-flood disaster in the Bangalore City in the year 1917.

(9) He saved the lives of many persons who were lying unconcious through Snake bite poison and scorpion stings etc., as will be seen from a publication in the Daily Post, dated 23rd December 1918. (*Vide* Ref. No. 7.)

(10) During great conflicts between the Lingayets and the Mahomadans, on the question of burial ground; the Lingayets and Brahmins, when the Lingayet Guru visited Bangalore City; the Municipality and the public, on the question of feeding the poor on the Dodpet Road etc; he not only maintained as a public journalist, a neutral attitude but reduced the public incitement and helped the authorities to steer through the difficult situations peaceful as can be evidenced from the gold medal awarded to him by the public. (*Vide* D.O. No. 3.)

(11) During the visits of the Prince of Wales and successive Viceroys from 1906 onward to Mysore, he as a representative of a responsible English Daily, contributed to the good name of Mysore in doing his portion of the work without any sort of recognition from any quarters. (*Vide* D.O's. Nos. 5 and 6.)

(12) As a journalist, he maintained greatest secrecy in confidential matters and he is always loyal to Mysore.

(13) The humble Memorialist is a member of a highly respectable family in Coorg *i.e.*, Codanda family of which Rao Bahadur C. Madiah, Retired Councillor, is also a member.

(14) He is a professional Journalist of longstanding experience with high character and excellent habits. (*Vide* D.O's. Nos. 5 and 6.)

IV. Since Your Highness' humble memorialist had no opportunity for a personal representation, he had to approach Your Highness, through the medium of this memorial with an humble prayer, that Your Highness may be graciously pleased to take into consideration and reward his *gratuitous*, *humane* and ***valuable services*** in a fitting manner.

V. The humble memorialist most respectfully begs to state that he has a longing to join the Government Service and therefore Your Highness may be graciously pleased, if his above named honorary and humane services are appreciated, to direct the Government of Mysore, to appoint him as a Gazetted Officer, on a salary of Rs. 300 per month, which will be in proportion to his present status and rank in life, in case his prayer for a higher place as originally prayed for, is not recognised. If even the above prayer is not granted, he may at least be appointed as an Assistant Commissioner of the lowest grade on Rs. 250 per month. For which act of kind benevolence, he ever remains grateful.

VI. Voluntary D. O. Letters from official authorities and other references as to the correctness of the above statement of his genuine work are herewith printed as an enclosure for Your Highness' gracious perusal.

He begs to remain,

May it please Your Highness,

Your Highness' most obedient and loyal servant.

Most Respectfully Submitted through Sirdar M. Kantaraj Urs Esq. B.A., C.S.I., Dewan of Mysore and through the President of the City Municipal Council, Bangalore City.

C. S. Candiah

Respectfully submitted

Mr. C. S. Candiah is known to me for more than a decade in the public affairs and also in several social and other activities. As I had not the opportunity of giving him a letter of appreciation for his valuable services in the public and other functions in an honorary way, such I fully endorse the opinions expressed by several gentlemen referred to in the memorial. His activities above referred to are very appreciative and genuine and so much his prayer to His Highness the Maharaja is very modest.

D .O. LETTERS.

HEALTH OFFICE,
Bangalore, 16th December 1910.

DEAR MR. CARRIAPPA,

1. This is just a line to express my thanks for the great interest you had taken in personally popularising inoculation in the City especially in quarters where people were averse to inoculation. Had it not been for your sympathetic co-operation more would have fallen victims to the dire disease. As you are aware that I am not in a position to remunerate you in any way for the honorary and humane service you rendered, I thought it was my duty to mention your name to the Dewan Saheb who was very much pleased for your valuable service. You are also aware that His Highness the Maharaja and the Hon'ble British Resident who rode past our Special Inoculation Camp stopped and expressed their appreciation of our work. Hope you will as usual continue your philanthrophic and propogandistic work.

Yours Sincerely,

(Sd.) A. K. PANI,
Health Officer, Bangalore.
(The Present Sanitary Commissioner in Mysore).

DEAR MR. CARRIAPPA,

2. I have pleasure in sending herewith a Gold Medal awarded to you by the City Municipal Exhibition Committee of 1915, in appreciation of best co-operation rendered by you in connection with the Exhibition.

Wishing you every success in life.

Yours Sincerely,

BANGALORE,
30th April 1915.

DEAR MR. CARRIAPPA,

3. I am glad to learn that some of the citizens of Bangalore have in appreciation of your services in the journalistic line presented you with a souvenir in the shape of a Gold Medal. I can say from my own experience of your work that you have always preserved a commendable neutral attitude and given a fair account of local doings. I am glad of the honor done to you and can only say that you fully deserve it

Yours Sincerely,

BANGALORE City.
Xmas 1919.

DEAR MR. CARRIAPPA,

4. Allow me to wish you a merry Xmas and happy New Year. During the festive season, friends remember one another and recall to their minds the good things done to each other and public in general. I cannot forget during the plague epidemic of 1916, how you were instrumental in popularizing anti-plague inoculations in the City, and though I was quiet new to the place and the onerous duties of a Health Officer, yet I succeeded in performing something like 13,000 inoculations with your co-operation. During the pandemic of influenza of 1918, what a help you were to me in my anxious moments to safeguard the interests of the people as far as relief of the suffering humanity was concerned. Just after the subsidence of Influenz and when the people were suffering very much on account of the prevailing high price of rice and other necessaries of life, how you induced your friend Mr. Appanna Ramachendra Rao, the then Government Rice Contractor to open a kitchen in the Government Anna Chatram where so many poor people were fed daily and that too for some months. All the time I have known you, you have been conducting yourself in a fine journalistic spirit, with regards your notes in the "Daily Post" on the important happenings in City. I am sure I cannot do you anything better, than I can expresssincerely my appreciation of your good work and I only wish that some better man than myself,bring your philanthrophic work to the notice of the higher authorities for some substancial recompense, and this is my earnest desire. I shall be glad, if you were to come over in one of these evenings and have some tea with me.

Trusting you are well, with best wishes.

Yours sincerely,
(Sd.) J. FERNANDES,
Health Officer.

5. As the Senior Member of the Council of His Highness the Maharaja of Mysore and also as the Honorary President of the City Municipal Council of Bangalore, I had several occasions of coming in close contact with Mr. C. S. Carriappa. He has been known to me for the last twelve years as an ardent worker in the field of philanthropy and public service. During the great War his efforts were specially directed to collect men and money for the Imperial Army. Mr. Carriappa spared no pains in rendering as much service as possible in the promotion of the War Loans and the recruiting campaign where his enthusiasm was seen at its best. This commendable War-work deserves a special mention and fitting recognition.

As a Journalist he always acquits himself to the entire satisfaction of the public and never abused his position of public trust. In all functions of public interest he takes a very prominent part and as a mark of appreciation of his good services to the public, the citizens of Bangalore presented him with two gold medals.

His relations with the public were always cordial and I always entertained a very high regard for his worth and character. I shall be highly pleased to hear of his success in life.

BANGALORE DAILY POST OFFICE,

6. Mr. C. S. Cariappa, Journalist, has been on the Staff of this paper for over a decade and a half. During the past five years of which I have been in charge of this business, I have always found him very painstaking in his work and he has proved himself to be a most trustworthy representative of the " Daily Post." His reports on all important State and other functions have been reliable.

Mr. Cariappa is most cordial in his relations with all officers and officials of the Mysore State, some of whom have written their appreciation of his good work.

During his leisure hours, he has taken considerable trouble in helping to make both the war loans and recruiting campaign a success in the Mysore State which work, in my opinion, merits fitting recognition at the hands of the authorities concerned.

I am exceedingly glad to say that his habits are not only quite regular but excellent, and he has my best wishes in anything he may undertake.

Snake Bite Cured.

7. Very many people are evidently not aware that scorpion stings and snake bites can be cured without the application of medicine, etc. But we are glad to note that a select few, who avail themselves of the free treatment afforded by our City representative in the person of Mr. C. S. Carriappa, Chamarajpet, have derived the fullest benefit by consulting him in times of emergency. A police constable, Sivananjappa by name, attached to the Chamarajpet Police Station, while on patrol duty last night, was bitten by a venomous snake at about 1 A. M. The man trod upon the reptile, which encircled itself round both his legs. The constable dropped down, when he was severely bitten on the right big toe. After 5 hours, assistance arrived and the suffering patient was removed to Mr. Carriappa's house by constables, Mannaji Rao and Krishnaji Rao, in an unconscious state, where, within ten minutes, the man was pronounced to be cured. In cases similar to the above, Mr. Carriappa will be pleased to attend on persons provided a conveyance is sent for him. We print this as a fact, and only due justice. (Dated 23rd Dec. 1918).

Feeding the Poor.

8. Messrs. Appana Ramachandra Row and Co., Government Rice Contractors, have been feeding the poor since the 6th July 1919 at the Government Annachatram in the Bangalore City, in connection with the celebration of Peace they have arranged to give a general feeding on a large scale to the poor at the same place, from 11 A.M., to 4 P.M., on Saturday the 19th July 1919.
